Hello Darrel.

Thank you for your time earlier today. As per our conversation, I've attached price lists and brochures for our complete line of scientific instrumentation. I've also mailed hard copies, you should receive them early next week.

Feel free to contact Dr. Jerry DeMenna (Head Chemist) to discuss your applications / requirements:

CR-Juniata College, Dr. Richard Hark, 4/26

Lead form both Pittcon and ACS for GFAA. Got information I sent him. Will keep it on file. No intention of purchasing GFAA now. Asked about budget. Wouldn't have enough money to purchase in college budget, only through grant. Asked him to contact us if things developed. We would like to get involved in showing him what we had to offer.

Eric,

Thanks for the leads....but I can't open the files....last time these came through as a text delimited file....can you send that way, or an excel file ?

Thanks.

Bill
